Edit

Displaying Build Rate & Turn Rate with Negative Values

Displaying Build Rate and Turn Rate with negative values.

	By default,
	PathTracker will
	display Build Rate
Į	and Turn Rate as
	positive values.

However,

PathTracker enables users to display drop rates and left turns as negative values.

To display left turns with a negative value, right click on the "Trnrate" column and select "Edit Column Contents"
